Cloud113

QUICK START PACKAGE

A SALESFORCE PARTNERSHIP YOU CAN TRUST.

Cloud113 offers quick start packages for new users of **Sales and Service Clouds.**

WHAT'S INCLUDED

DISCOVERY & PROJECT PLANNING

We work with your team to understand your current and future needs and develop a plan for implementation that is easy to communicate throughout your organization.

ARCHITECTURE CONFIGURATION

We configure your users and setup Salesforce fields necessary to launch you successfully on your Salesforce journey. This includes accounts, contacts, opportunities and other objects specific to your business.

END USER CUSTOMIZATION

Your user experience is our top priority. We provide you with customizations to reduce the number of clicks, swivels, copy-pastes, and other hassles to make your team excited about using Salesforce.

DATA MIGRATIONS

This happens to be an area of specialty. We understand how important your data is and we move it over to Salesforce accurately, securely, and with minimal impact to your organization.

TRAINING & SUPPORT

Our experts will train your sales, marketing and service teams and equip them with what it takes to make your business get to the next level.
